ABOUT US

Established in 1998, we strive towards excelling and evolving in this severely competitive market. Providing our customers with the best that the market can offer is our top priority. The quarries that we own, both in India and Vietnam, yield the most pure stone, which we mine and polish to suit your requirements. Drom Marble has proved its ability to be one of the prominent Mines Owner, Manufacturer, Supplier, Importer and Exporter of Marbles & Granites.

Our products are a class apart from those in the present market. Our products have **uniformity**, **accuracy** in every specification provided, and highest **quality** possible at competitive prices, **symmetry**, and **punctuality** in delivery. Customers from all over the world source our products due to our unmatched standards of quality and service. Ranging from USA and Russia, to the GCC and Africa, DROM MARBLE™ is the talk of the industry.
